

You are invited to a:

Justs for Fun-draising

Jewellery Workshop

Have Fun! Make your own lariat-style necklace,
learning how to wire-wrap your beads
AND contribute to a good cause!

Your beads can look sophisticated or jazzy,
and the wire wrapping gives them a classy finish
to complete your piece of wearable art.

These fun necklaces often receive compliments,
but whether you reveal you made it yourself is up to you!
